Rovinj, 31.01.2025.

Dear friends, donors and sponsors!

This letter contains a short report on the work of OAZA in the second half of 2024, as well as a table of donors and a financial overview (for those who do not have time for more information). In the second letter there are reports and pictures of foster families.

During this period, OAZA helped 63 children in 26 foster families. For each of these children, we provided financial assistance in the amount of €110 every 3 months. This year, we managed to provide families with funds to cover the costs of vehicle insurance, and occasionally we procured a donation of food, clothing and shoes. According to their needs, we have helped all our families with advice related to the placed children and their problems. The greatest help is the Viber group in which everyone is involved, where they share experiences, questions and answers for specific situations with children in foster care.

During October and November, in cooperation with the association „Stijena“, we organized 4 weeks of lectures in schools in Istria called "How to say no". It is a lecture in which the concept of addiction and drugs is explained to students, in a way that is adapted to their age. During the lecture, students are encouraged to think about making decisions, peer pressure and the challenges of the adolescent period. The emphasis is that addiction is one of the symptoms of the problems they deal with (curiosity, boredom, peer pressure, problems in the family).

In November, we received two houses from the association "Nadomak sunca" from Oprtalj (Istria), that will be used as accommodation for foster families. One needs a thorough renovation, while the other needs to be partially renovated.

We have started collecting material and financial resources for the renovation of these houses, and if you want to get involved in our project, you can donate the necessary material for:

- Roof decoration
- Complete arrangement of two bathrooms (one with a shower, the other with a plastic bathtub)
- Garage doors, Carpentry - windows and shutters
- Renovation of old electrical installations
- Air conditioner

OAZA helps foster families and other people in need, and through various churches it tries to encourage the development of quality foster care in Croatia. All your donations are a great encouragement to our work, and if you want to continue, you can send your help to the account: OAZA, Children's Aid Center: **HR 8023400091118004590**, SWIFT CODE / BIC: PBZGHR2X

**On behalf of all our children and foster parents, I would like to thank everyone who has followed and supported this work so far. We wish you an abundance of God's blessings and we greet you with love.**
